RIJEČ UMJETNIČKOG RAVNATELJA / A WORD FROM ARTISTIC DIRECTOR

Dragi sugrađani, ljubitelji glazbe i fanovi limenih puhača. Još uvijek pod dojmom posljednjeg Brass festivala, ulazimo u punoljetnost pod „vatrometom“. Naime Maestro Tofanelli je poznat u svijetu po svojoj karizmi i šarmu na sceni koji pljeni i podiže atmosferu u dvorani. Narančno bez podrške Jazz orkestra oružanih snaga Republike Hrvatske to ne bi bilo moguće. Zatim nas dva dana za redom čekaju dvije klasične poslastice iz instrumenata dva majstora – Bazsinke na tubi i Köllera na trubi. Bazsinka je virtuoz koji će nas čarolijom izvođenja na tubi odvesti u jedan rijetko viđeni i čujni svijet. Köller je član znamenitog German Brass ansambla koji je na vrhu glazbe limenih puhača već desetljećima. Na kraju festivala nas očekuje umijeće Gilena Santane, portugalskog trubača, južnoameričkih korijena i to u rijetkoj kombinaciji koju još nismo imali prilike čuti – trube s gitarom. Upravo ovaj program, ova različitost, ali i reputacija imena koja nastupaju na festivalu jamče dobru zabavu, ali i zrelost koja priliči festivalu koji ulazi u punoljetnost. Meni kao umjetničkom director preostaje samo veselje da smo postigli što jesmo u posljednjih 18. godina te nada da ćemo doživjeti još mnogo ljeta i glazbena iskustva.

Tomislav Špoljar, prof.

Dear fellow citizens, music lovers and brass fans. Still under the impression of the last Brass festival, we are coming of age with “fireworks”. Namely, Maestro Tofanelli is known worldwide for his charisma and charm on stage, which captivates the audience and lifts the atmosphere in the hall. Of course, all this would not be possible without the support of the Jazz Orchestra of the Armed Forces of the Republic of Croatia. Then, two days in a row there are, two classic treats from the instruments of two masters – Bazsinka on the tuba and Köller on the trumpet. Bazsinka is a virtuoso who will take us to a rarely seen and heard world with the magic of performing on the tuba. Köller is a member of the famous German Brass ensemble, which has been at the forefront of brass music for decades. At the end of the festival, we can witness the skills of Gilen Santana, a Portuguese trumpeter with South American roots, in a rare combination that we haven't had the chance to hear yet - trumpet and guitar. It is this program, the diversity, as well as the reputation of the names performing at the festival, guarantee good entertainment and the maturity that befits a festival that is coming of age. As an artistic director, I can express the joy that we have achieved what we have over the last 18 years, and the hope that we will experience many more summer musical experiences.
